

# Town of Wiscasset

**July 27, 2009**

## **PUBLIC NOTICE TO CONTRACTORS**

The Town of Wiscasset, Wiscasset, Maine, desires to procure Construction services to construct a snow removal equipment building at the Wiscasset Municipal Airport. The work includes the assembly of a preengineered steel building already on site, excavation and construction of a concrete pad, electrical, water, and septic site work, construction of an interior room inside the building, and construction of miscellaneous pavement.. Work is to be done this summer/fall following receipt of an acceptable bid from a qualified contractor with bid opening on August 11, 2009. Scheduling of project will be determined at a preconstruction meeting. Bidding documents will be available on or about July 28, 2009. Plans and Specifications may be obtained by Contractors for \$30.00 (payable to the Town of Wiscasset) from the town's administrative assistant, 51 Bath Road, Wiscasset, Maine, tel: 207-882-8200.

A mandatory pre-bid meeting will be held on August 3, 2009 at 10:00am at the Wiscasset Municipal Airport, 96 Chewonki Neck Road, in the airport fixed based operator building. Additional information may be obtained by interested parties from Ervin Deck, Airport Manager (207-504-2357) or [kiwimanager@roadrunner.com](mailto:kiwimanager@roadrunner.com).
