2015 Annual Report
Town of Wiscasset
Annual Report
of the
Town of Wiscasset, Maine

2015
It is with great honor the Town of Wiscasset dedicates the 2015 Annual Town Report to life-long Wiscasset residents, John and Gertrude “Gert” Blagdon for their many years of serving the citizens of Wiscasset.

John and Gert are among the earliest members of the Wiscasset Ambulance Service. John was part of the initial group of community members made up of Wiscasset, Edgecomb, and Westport Island residents who joined together in 1976 to start the service. Gert joined her husband on the Ambulance Service later the same year. At this time the Cowan Funeral Home’s hearse served as the Town’s ambulance.

Both John and Gert trained and became licensed EMTs which began their long-time commitment of providing emergency medical services to the citizens of Wiscasset and surrounding communities. Gert served as the Wiscasset Ambulance Director for several years.

Family members say there was a scanner in practically every room of their home in order to hear every call. If there was an emergency day, night, or holiday, there was a good chance John and Gert were there.

John was an active member of the Wiscasset Fire Department for 50 years and is now a life-time honorary member. He served several years as the Department’s Assistant Chief. He has also served on the Town’s Appeals Board.

The Town was proud to have had the Blagdons serve as Grand Marshalls of its Fourth of July Parade in 2012.

John and Gert have been happily married for 57 years. They have raised four children and now enjoy 10 grandchildren and 6 great-grandchildren.

Their children say they have set the standards high for being examples of balancing community involvement, family, and marriage.

“With all the volunteering they did and still do, they always find time for themselves, family, and friends,” their daughter Bonnie says.

Municipal Departments
Town Manager

It is my privilege to present the Manager’s Annual Report for 2015. This report chronicles a year of hard work and success of Wiscasset’s municipal organization which provides services and programs to support residents and businesses.

From the airport to the Town’s Parks and Recreation Department which manages the town’s recreation facilities and special events; to Public Works’ street maintenance and the Planning and Codes department working to make Wiscasset a great place to build a home or a build a business; the Transfer Station’s waste management and Wastewater’s management of the town’s public sewer system; Police, Fire and EMS emergency response; and the helpfulness of the entire Town Office staff, this report highlights just some of the important work provided year-round by the dedicated employees of Wiscasset.

We thank you for your time in reading this report about the Town of Wiscasset at work. We invite you to learn more about us by browsing through the Town of Wiscasset website at www.wiscasset.org. I encourage all residents to get involved. Wiscasset is a community where people and their involvement matter, you are welcome to attend in person or watch our Selectmen meetings at www.townhallstreams.com. If you need to ask us a question, request a service, or report an issue, visit our website or call us at (207) 882-8200. What you will discover is that we’re here to help and to provide excellent service to ensure that we keep Wiscasset as one of the state’s best places to live, work, learn, play and do business.

One of the most significant issues on the minds of Wiscasset property owners is taxes. Town officials have a deep respect, understanding and appreciation for resident concerns relative to this issue. In 2015, the Town selectmen adopted a budget with a zero percent tax increase. Timely and efficient tax collection by the Town’s administration established the foundation for the board’s plan to hold taxes steady in the face of rising costs.

In the coming year, I will work collaboratively with the Selectmen to find cost saving efficiencies and revenue increasing opportunities. We will continue our long range plans to enhance the Town’s tax base in order to mitigate property tax pressures and maintain our position as the Midcoast preeminent location to live, work, play and raise a family.

With sincere thanks,
MARIAN L. ANDERSON
Wiscasset Town Manager
The Wiscasset Municipal Airport is a General Aviation airport owned and operated by the Town of Wiscasset with its own part-time Airport Manager and an all-volunteer five-member Airport Advisory Committee. The Airport offers efficient and friendly service to aviators and their passengers and strives to be an economic driver for the Town of Wiscasset and surrounding communities.

The year 2015 saw the departure of long time manager Erv Deck who since 2008 had worked tirelessly to bring excellent changes to the airport vision, and the welcome addition of Frank Costa as the new manager of the airport’s daily operations.

Committed to operating as a financially efficient, self-supporting aviation facility that receives no general tax fund revenue, the airport was able to restripe the runways and taxi-ways, refinish our “Wiscasset” sign on the apron, and carry out many other projects that keep the airport a viable asset.

Revenue generated by the hangar land leases, fuel sales, aircraft tie down and storage fees help provide the necessary funding to cover the airport operating and maintenance costs.

In a continuous effort to provide a safe environment for all airport users, we work closely with the Federal Aviation Administration and the Maine Department of Transportation resulting in a smooth and efficient operation. The Town of Wiscasset Public Works Department assists the airport with the tasks of snow removal, vegetation clearance and other ground maintenance projects as needed.

New for this year is the connection with social media through the Facebook page, currently supporting photos and short videos of various airport events that clearly depict the satisfaction and fun the visitors experienced. A new airport website, scheduled to be launched Spring of 2016, will introduce information about the airport as well as the Town of Wiscasset.

The Texas Flying Legends, an Aviation World War II Flying Museum with fighter aircraft, stayed a few weeks during the 2015 Summer. Our local pilots opened their hangars to the planes for shelter and many members of the community had the opportunity to view these amazing, rare and valuable aircraft. The visitors received a chance to touch and feel the power of the aircraft that helped win the Great War.

Maine Aeronautics Association, Seaplane Pilots Association, Experimental Aircraft Association and the airport manager participated with our local educational community by providing presentations and safety materials to the Wiscasset High School newly formed Science and Technology class. The topic was Drone Safety. Additional learning materials and aviation lectures were also provided by local pilots. Enthusiastic students visited the hangars and viewed aircraft in various stages of maintenance.

Local pilots at the Wiscasset Airport volunteer their time and continue to introduce the important seed of aviation to our youth. On any sunny weekend day, pilots’ hangar doors are open and guests are always welcome.

The Wiscasset Airport Advisory Committee meets monthly and the public is welcome and encouraged to attend. The committee welcomes new membership.

FRANK  COSTA, Airport Manager

FRANK  COSTA, Airport Manager
2015 was a very exciting year for the Wiscasset Ambulance Service (WAS). The WAS continues to evolve to meet the service needs of our great communities. We are constantly reminded of the delicate balance of service delivery and organizational wellness.

In 2015 the town accepted the resignation of Roland Abbot after ten years of service. In the transition the town hired an interim director Joe McCole. Joe was able to help transition to a per diem schedule during the day time from 6 a.m. to 6 p.m. seven days a week.

If a call takes place in the evening, it’s answered from emergency medical providers living in the community. This can be a challenging experience with Wiscasset having fewer providers living in the response area.

The WAS is currently in a different position with funding and staffing. Several hours have been spent with the selectman and town officials. After looking into possible contracted services, your vote kept the department within its current delivery.

The town stepped up and offered solutions that allow for our services to extend its future within its current organizational structure that meet the demands of the Emergency Medical Services. In March 2016 the department hired a full time EMS Director. Director Toby Martin brings to this position over 25 years of Fire/EMS experience.

As the WAS expands, the department must progress to meet continually changing needs. The future brings expansion of service delivery with the goal of adding coverage 24/7 at the paramedic level.

The department will look to improve the organization. We plan to develop employees’ skills with cultural awareness, education, while maintaining community

involvement. At the same time, we will continue to develop our operating standards, experience, and equipment.

As we grow within the community, we see unlimited potential in many areas. This is truly an exciting time for the Wiscasset Ambulance Service. We look forward to leading the people within the organization and serving the communities of Wiscasset, Edgecomb, and Westport Island.

We are reminded daily of the great service the Wiscasset Ambulance Service provides to these communities. We are proud of the work we do and are thankful for support we receive from our community. We want to thank everyone who helped make 2015 a safe and successful year!

Respectfully submitted,
Wiscasset Ambulance Service

Municipal Town Meetings & Elections

May 27, 2015 – Special Open Town Meeting to authorize expenditures in cost center categories for the Wiscasset School Department – 42 registered voters were in attendance. The meeting was held at the Wiscasset High School at 6:00 p.m.

June 9, 2015 – Election of Town Officials and Annual Referendum Town Meeting – The election was held at the Wiscasset Community Center and the polls were open from 8:00 a.m. to 8:00 p.m. 565 registered voters cast ballots.

June 16, 2015 – Special Open Town Meeting – The meeting was held at the Wiscasset Town Office at 7:00 p.m. to see if the Town will authorize the Wiscasset School Department to transfer $10,000 from revenues received for the 2015-2016 Adult Education Program. 17 registered voters were in attendance.

November 3, 2015 – Special Town Election – The election was held at the Wiscasset Community Center from 8:00 a.m. to 8:00 p.m. 613 ballots were cast with 105 of those being absentees. The State of Maine referendum included a citizen initiative question and two bond questions. The Special Town Election was to fill a 6 month vacancy for Selectman, Assessor and Overseer of the Poor. Judith R. Colby was unanimously elected to fill the position.

Code Officer Report for 2015

This past year I issued fifty-eight (58) building permits: forty-nine (49) were residential and nine (9) were commercial permits.

- Remodel - 1
- Dock & ramp - 1
- Parking lot - 1
- Security fence - 1
- Commercial storage – 2
- Security measures – 2
- Solar arrays – 2
- Barns – 2
- Mobile Homes – 3
- Garages – 4
- New Homes – 8
- Additions – 11
- Decks/Porches – 15

We issued 16 Plumbing permits and 13 Septic permits.

Value of new buildings by permits was $3,301,325 and the permit fees were $10,809.00. Plumbing fees to the Town were $3,167.50.

The State has been holding classes for contractors to get certified to work in the Shoreland Zone areas in both salt and fresh water. Anyone other than homeowners that works in the Shoreland zone has to be certified by the State. There are hefty fines now if work is done and is not done by certified contractors.

We are starting to contact citizens that need to clean up their property. You are allowed to have two automobiles that are not road ready. They need to be inspected and registered. Discarded metal such as appliances and sheet metal constitute a graveyard. If you get a visit by me, you will be given 30 days to clean up the property and after that, if we have to pursue further enforcement action, it could be fines or possible court action.

I am in the office every day, or by appointment if needed.

Respectfully submitted,

STAN WALTZ
Code Enforcement Officer
Wiscasset
The Town of Wiscasset Finance/Human Resource Department had a very busy 2015. It was the first full year having our School Department back and also my first year doing Human Resource duties while passing my Tax Collecting duties over to our new Tax Collector Molly Bonang. Molly continued this year to attend training for Tax Collection and also BMV (Bureau of Motor Vehicle). She will be working towards her certification through MMTCTA (Maine Municipal Tax Collector and Treasurer Association). In addition Molly will become a Notary Public.

As you know Ellin Jasmin is the Accounts Payable Clerk in the Finance Department and also my Deputy Treasurer, just “two jobs of the many hats she wears”. Ellin has continued to attend classes towards her certification as Deputy Treasurer through MMTCTA and is very near her goal to become certified. Ellin is also a Notary Public.

The new “Obama Affordable Care Health Act” compliance has been a challenge, requiring many hours of training and creating a lot of extra paperwork in Human Resources. The Town’s Municipal Software was updated to accommodate the processing of the paperwork which will be very helpful. The Health Care Act states that the Town must offer Minimum Essential Health Insurance Coverage to “substantially all” full-time employees (at the employee’s expense); if we do not, the Town of Wiscasset is subject to penalties. Full time employees are considered “30 hours” per week under the Affordable Health Care Act.

The Finance Department continues to focus on improving the accounts receivable collection for the Town of Wiscasset. We see improvement in this area each year. The select board and management are working together and taking action to become more progressive in the collection of the town’s delinquent real estate property accounts.

The Town of Wiscasset’s Tax Club added some new members in 2015. The
Town “strongly” encourages taxpayers to join this coming tax year. The club is available to all citizens who are current in their taxes and wish to budget a monthly payment throughout the tax year. The club is very easy to join and payments start in July of 2016, the paperwork must be completed in early June 2016. The advantage to joining is that a payment is made monthly for twelve months and no interest is charged on the account as long as tax payments are timely, in addition it helps with the town’s cash flow! Please contact Molly Bonang @ 207-882-8200 Ext. 101 if you are interested in joining.

Wiscasset Fire Department

To the Citizens of Wiscasset:

The Wiscasset Fire Department has responded to 138 calls this year to date! We assisted our outlying communities 9 times. The fire department currently has a 23-member roster, with an additional 7 on our lifetime member roster. The men and women of the Wiscasset Fire Department continue to put in countless and necessary hours of training to stay current with today’s standards and regulations that we must comply with. The Wiscasset Fire Department is made up of a very diverse group of individuals who are very dedicated to what they do for our town! The Town of Wiscasset should be very proud!

We would like to thank once again the Wiscasset PD and the Wiscasset Ambulance Department for their assistance and continued support. As well we would like to thank the Town Manager, the Selectmen, and the citizens for your continued support!

In closing we always like to take the time to thank our families and all loved ones for supporting the Wiscasset Fire Department; without all your support we couldn’t do our jobs to serve our community!

Respectfully submitted,
TJ MERRY
Fire Chief
I would like to start by saying thank you to Dan Bradford for the great job he did as harbormaster for Wiscasset.

I came on in February of 2016 so I do not have a lot to report. I have been busy getting quickly acquainted with the position. I have cleaned the Harbormaster’s Office at the waterfront and will be using this space.

The town boat was removed near the end of 2015 and the turbo was replaced. The boat was then winterized and moved to the town garage for winter. In the middle of March, mostly so I could get acquainted with it, the boat was put back in the water.

The floats were not removed over the winter at the waterfront. The float at the Ferry Landing was removed for continued repairs at the landing. The landing area looks really nice and the float should be back in the water soon.

I have fielded quite a few requests so far for new moorings and mooring reassignments. I have also heard from quite a few users of the waterfront with questions and concerns about items they would like to see addressed. If you have anything concerning the waterfront, please feel free to contact me.

Here’s looking forward to a fun and exciting summer season 2016.

PRESTON DUNNING
Harbormaster
Dear Wiscasset Residents,

The mission of the Wiscasset Parks & Recreation Department is to create recreational opportunities to increase the social, emotional and physical well-being of our community, while providing safe, accessible and well maintained facilities and parks to enrich the overall quality of life.

partnership – A relationship between individuals that is characterized by mutual cooperation and responsibility, as for the achievement of a specified goal.

Two thousand fifteen was a year filled with old and new partnerships for our department. As we continue our self-evaluation process, to ensure we are meeting the recreational needs of our community, the functions of “partnerships” kept reoccurring as a valued option to meet our growing recreational challenges, both functionally and financially.

Here are two great examples of partnership this year. A new partnership to our department helped shape our inaugural “Wellness U” event. This free wellness event provided educational sessions, fitness classes, medical support and training. Thank you to our presenters and partners: Lincoln County Healthcare, Healthy Lincoln County, Lincoln County Dental, Sweetser, Sheepscot Bay Physical Therapy, Powerup Business Solutions, Wiscasset Ambulance and the WCC staff. Your dedication offered 32 wellness opportunities to over 125 people.

In February the department hosted its annual Winterfest, sponsored by The First. Community members enjoyed snowshoeing, snowmobile rides, educational presentations, winter camping demonstrations, a benefit dinner, a community dance and Fireworks. This event was another great example of local partnerships. Thank you to Chewonki, Wiscasset Sno-Goers, Scholarship Committee, WPRD staff and our volunteers for another wonderful community event. Listed below are just a few examples of annual partnerships, thank you to everyone that made these possible.

January – Wellness U.
February – Winterfest
March – Youth Basketball Tournaments
April – Easter Egg Hunt & April Vacation Camp
May – Youth Baseball Opening Day and Parade
June – School Evacuation Drill and Graduation Parties
July – Alive Concerts with Wiscasset Area Chamber
August – WES Playground Project with Wiscasset Public Works
September – Youth Soccer Coaches & Player Clinics with WHS Coaches & Players
October – Scarecrow Festival
November – Youth Basketball Coaches & Player Clinics with WHS Coaches & Players
December – Tree Lighting & Breakfast with Santa

One of our major goals that has proven challenging over the last couple years has been “communications”, as in communication with residents, members and surrounding communities. Technology is ever changing with constant advancements. In 2015 we made the decision to change with the times and switched our management
software to an online version, “MyRec.” This change has afforded us the opportunity to update our data base and participant contact information. This change has also allowed us to reduce the amount of staff time at the front desk and program information input time and keep it up to date. It includes features like email and text blasts, auto add/remove documents, reservations and facility schedules. Each of these has allowed our staff to be more efficient, as well as timelier with program information. Individuals can now create a household account online and purchase programs and memberships right from their homes or their cell phones.

As our department has moved throughout the year hosting events and creating new programs and wellness opportunities, we have been challenged by aging equipment and increased facility maintenance. These challenges, I’m very proud to state, have been handled by our staff in a very efficient and professional manner. When a piece of equipment fails, it can have a major effect on quality of service, safety and ultimately revenue. The process can be quite time consuming as well, involving maintenance notification, activation of safety guidelines and notification of staff and patrons. Lastly, we correct the problem and look to create solutions to reduce the possibility of recurrence of the issue in the future.

This is just a quick snapshot of our department for the year 2015. On behalf of the entire staff I would like to thank all of the department heads, town manager, town employees, Board of Selectmen, Senior Center Trustees, volunteers and the entire school system for their support throughout the year. Nothing we do would be possible without support and partnerships. Last, but not least, I would like to personally thank the staff of the Wiscasset Parks & Recreation Department for their passion and dedication to our Community.

Sincerely,

TODD D. SOUZA
Director of Parks & Recreation

Wiscasset Annual Report | Municipal Departments
Planning Department

The Planning Department focuses primarily on growth and development in Wiscasset. The department achieves this through a variety of functions including economic development, reviewing development plans, assisting businesses and developers with the permit and review process, providing resources and assistances to new and existing businesses, and providing guidance to the Town in planning for future growth in a manner that is consistent with the goals and vision of the Wiscasset community. Additionally, the Department provides technical assistance to the Planning Board, Ordinance Review, Waterfront, and Conservation committees.

2015 was a very busy year for the planning department with several key initiatives that were started. The planning department worked hard with several committees and departments to increase the capacity of the town. The planning department has been working in conjunction with Maine DOT on proposed re-designs for Route 1 in the Village Center. The planning department has also worked in conjunction with the conservation department on the repair or removal of the Montsweag Dam as well as the continued completion of the Monstweag Brook Preserve. Additionally the planning department has been partnering with the Lincoln County Regional Planning Commission to complete a brownfields study of the former Mason Station site.

The planning department has also been extremely involved in economic development within the town. An inventory of all commercial properties available was created in June 2015 to help attract more business to Wiscasset. Additionally the business and resource guide was created in order to allow current and future business owners, residents, and visitors to know what resources are available in town.

Additionally, during 2015 several key components of the planning office included:

• Implementation of the Bath Road Master Plan has started, including ordinance revisions to incorporate some of the recommendations of the plan.
• Work has continued with Maine DOT to determine the most efficient downtown traffic plan
• In July 2015 the Coastal Communities Grant was awarded to the town in order to assist in the creation of a resiliency plan for the wastewater treatment plant.
• Assisted the Wiscasset Area Chamber of Commerce with the 2nd Annual Wings Over Wiscasset event, which was held August 8 & 9.
• Continued advancing economic development projects to promote business opportunities.
• Continued to work with Maine DOT on implementing recommendations from the Road Safety Audit.
• Assisted the Planning Board with 8 applications
• Provided technical support to the Ordinance Review Committee with the proposed Historic Preservation Ordinance and Future Land Use Plan.
The Planning Department is the key contact point for all development inquiries. The department routinely assists applicants through the Planning Board process, answers citizens’ questions and concerns, whether planning related or not. For planning, land development, ordinance development, comprehensive planning, economic and community development, and other town-related information please call 882-8200 x106, email me at townplanner@wiscasset.org or stop by the office.

**Planning Board:**

The Planning Board’s responsibilities include, but are not limited to, the review of subdivisions under State Subdivision Law and Wiscasset Subdivision Ordinance, Site Plan Review for non-residential development, and consideration of zoning and ordinance changes. Between January 1, 2015 and December 31, 2015, the Planning Board considered 4 land development proposals (compare to 32 during July 2008 – July 2009, 21 in 2010, 5 in 2011, 13 in 2012, 7 in 2013, and 8 in 2014). Between January 1, 2015 and December 31, 2015, the Planning Board considered the following proposals:

- Reconsideration of application for Allen Cohen; Addition to Storage Building; Site Plan Review; JB’s Way
- Vincent and Sally Thibeault, F&S Factory – Site Plan Review pre-application for youth entertainment facility, Map R06, Lot 7A
- ReVision Energy, Morris Farm Community Solar Farm – Site plan review/site walk
- LeBlanc Associates, Inc., Construction of a PT wood 6’ x 24’ per, a 3’ x 40’ aluminum ramp, a PT wood 10’ x 16’ float, and a 10’ x 40’ timber frame float haul out-site plan review

A total of 4 applications were considered during 2015. Compared to 7 and 8 considered applications in 2013 and 2014 respectively, this is a slight decrease. However, this is representative of commercial development rates throughout Lincoln County.

The Planning Board members are Chairman Ray Soule, Larry Barnes, Anthony Gatti, Peter McRae, Karl Olson, Jackie Lowell, Al Cohen, Lester Morse, and Debra Pooler. These individuals are very dedicated to the town and their service ensures that Wiscasset continues to be a great community to live in. The Planning Board meets on the second and fourth Mondays of each month at 7:00 p.m. in the Municipal Hearing Room at Town Hall.

**Ordinance Review Committee:**

The purpose of the Ordinance Review Committee (ORC) is to provide the Selectmen, Planning Board, and the Town Planner with advice and recommendations on existing ordinance revisions, ordinance amendments, ordinance adoptions, and rezoning applications. Issues that may be considered include land use, community planning, growth-related matters, general ordinance development, and other issues which may ultimately affect the quality of life for present and future residents. The ORC performs the above-mentioned work at the request of the Selectmen. A majority of the committee’s time continues to be devoted to bringing our existing ordinances
into compliance with the comprehensive plan and ordinance work assigned by the Selectmen. Between January 1, 2015 and December 31, 2015 the ORC considered the following items:

• Historic Preservation Ordinance
• Future Land Use Plan
• Planned Development District
• Implementation of Bath Road Master Plan
• Route 1 Design Standards
• Timber Harvesting in Shoreland Protection Zoning
• Blasting Ordinance
• Temporary Business License Ordinance
• Updated the business license ordinance

The ORC worked with members of the former ad hoc Historic Preservation Commission to complete the Historic Preservation Ordinance. The creation of a Historic Preservation Ordinance is noted as a high priority in the Town’s 2008 Comprehensive Plan. The purpose of the Historic Preservation Ordinance is to recognize and preserve the maritime, historic, cultural, and rural character of the Town. Wiscasset is recognized as “the prettiest village in Maine,” and its unique historic heritage has an enormous economic value to the Town. The Ordinance Review Committee spent time revising and finalizing the Historic Preservation Ordinance. In 2015, the ORC finalized the ordinance which was approved by the board of selectmen.

Implementing the Town’s comprehensive plan, adopted in 2006, and amended in 2008, has been a priority for the ORC. The comprehensive plan advises the adoption of 13 new zoning districts; 5 of which have been implemented. Directed by the comprehensive plan, the Future Land Use Plan seeks to implement the remaining 8 new zoning districts. The ORC has completed language for all of the remaining districts and the maps are nearly completed. During 2015, the ORC finalized the language and the maps for the many of the remaining new districts. A meeting will be held to seek public comment before it is considered by the Town.

The ORC has also been working on implementing the recommendations proposed in the Bath Road Master Plan, which was adopted in 2013. A major component of the Bath Road Master Plan recommends adopting new Route 1 Design Standards within three new zoning districts along the Route 1 corridor. The recommended three new zoning districts incorporated into the Future Land Use Plan. Within these proposed districts, the Route 1 Design Standards include recommendations that are not limited to, landscaping, building placement, connectivity, parking, storm water management, signage, and scale of development. The ORC has been working on finalizing the ordinance, which will be an amendment to Article VIII, Site Plan Review Standards in the Town’s Ordinances. The committee plans to hold a public meeting to seek public comment in 2015 before it is considered by the Town.

The work of the Ordinance Review Committee can be very challenging. The committee needs to be able to balance the needs of the community and the goals of the comprehensive plan to help promote economic development, livability, and a
sense of community. Careful attention and time is needed in construction ordinances that will serve Wiscasset. This committee is crucial to the future of Wiscasset and its members need to be commended on their hard work and dedication to the town. The Ordinance Review Committee members include Chairman Karl Olson, Larry Lominson, Jackie Lowell, and Al Cohen, Albert Kontrath, and Jason Putnam. The committee meets on the second and fourth Mondays of each month at 5:00 p.m. in the Municipal Hearing Room at Town Hall.

Through collaboration and determination we are creating a stronger, more vibrant local economy and are continuing to improve and thrive as a community. Thank you to all the Board and Committee members offering their time and support, as well as to the staff and community members providing assistance to the Planning Department.

Respectfully submitted,

BENJAMIN AVERILL
Town Planner
To the Citizens of Wiscasset,

“The mission of the Wiscasset Police Department is to work in partnership with the Community to protect life and property, solve neighborhood problems, and enhance the quality of life in our Town. The Wiscasset Police Department will strive to instill public confidence and trust by maintaining a high degree of professionalism, dedication, and expertise in the delivery of law enforcement services. The integrity of, and respect for, the Wiscasset Police Department is enhanced by its contribution to the welfare of the citizens, its concern for excellence, and by the guidance it provides to its members towards a high level of ethical practice.”

I feel it is important to leave the department mission statement at the beginning of each Annual Report as a reminder of your police department’s commitment and dedication to the citizen’s of Wiscasset.

The Wiscasset Police Department has gone through some very significant changes in 2015.

Sergeant Kathy Williams retired and moved to Virginia this year. School Resource Officer (SRO) Perry Hatch resigned to be a stay at home dad. We hired Thomas Hoepner as the new SRO and he began his duties shortly after the school year began.
The above chart reflects the various incidents of crime in the Town during 2015.

The above chart reflects the types of traffic issues and enforcement the department dealt with in 2015.
The above chart reflects the difference in calls for service that officers handled from 2014 to 2015. The increase reflects the following types of calls:

- Drug related issues
- Assaults
- Criminal Threatening
- Criminal Trespass
- Traffic related issues
- Weapon related issues
- Community policing efforts
- SRO Calls for Service

The Department is currently staffed as follows:

<table>
<thead>
<tr>
<th>Full Time Staff</th>
<th>Part Time Staff</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Chief Troy Cline</td>
<td>1. Reserve Officer Michael Smith</td>
</tr>
<tr>

</tr>
</tbody>
</table>

** Newly hired officers this year.

There have been some gains in the Reserve Officer pool during 2015.

Once again this year the changes in staff have caused more money expenditures in order to train newly hired part time officers per mandated academy training requirements. Most of these officers required a minimum of eighty (80) hours of training with a Field Training Officer prior to being released on “solo” patrol.

I will be submitting a request to replace the 2013 Dodge Charger as it has over 145,000 miles. It should also be noted that this vehicle has had numerous mechanical issues in 2015 requiring extensive repair at times. The vehicle maintenance line is
already “in the red” due to these repairs. Having newer vehicles allows the warranty to cover most, if not all, of these maintenance issues.

It would be my intent to request another all wheel drive (AWD) Ford Interceptor Utility utilizing funds from the Capital Improvement Plan (CIP) this coming budget year. Doing this will allow lower maintenance costs and the ability to start a proper rotation of vehicles to be more in line with current law enforcement fleet practices.

We strive to maintain open lines of communication between the officers of this department and the citizens we serve. I would like to thank all of you for your continued support and confidence in me and this department.

Sincerely,
TROY A. CLINE
Chief of Police
The Town of Wiscasset Public Works crew includes, left to right, Theodore Snowdon, Ken Cooper, Troy Gamrat, Steve Christiansen, Director Doug Fowler, Raymond Bellefleur, William Thayer and Matthew Huber.

Once again, it has been a pleasure to serve the community of Wiscasset as the Director of the Department of Public Works for the past year. We have accomplished many tasks and have successfully worked through many challenges. The success of the Department is attributed to maintaining a strong team environment and utilization of the exceptional skills and dedication of my crew: D. Keniston Cooper Jr., William Thayer, Mark Jones, Matthew Huber, Ray Bellefleur, and Steve Christiansen. Their enthusiastic attitude to get the job at hand done and done right perpetuates the Department forward with confidence.

In the past year the Highway Department, as always, has completed and been involved in a wide range of projects and duties. The Department, as many are aware, is responsible for far more than just snowplowing and ditching the 50+/- miles of Town road. Beyond maintaining the roads, we are also responsible for the maintenance and repair of the several Town-owned buildings, construction and maintenance of the Town-owned floats, road side mowing, maintenance of Town-owned land such as the Town Commons and Sunken Garden, sidewalk maintenance and repair, Airport winter maintenance and annual mowing, and the downtown sanitation detail, to name a few. In addition, throughout the spring and summer months we also have a crew dedicated to the care of the numerous cemeteries of the Town.

Keeping the roads free of snow and ice is one of our top priorities. The 2014-15 winter challenged the Department not only with accumulation but also in frequency. The endurance of my crew was truly tested as the timing and length of the numerous events left us with little time to catch up not only on rest, but in keeping the banks and intersections pushed back to accommodate the next storm. Teamwork and dedication were truly exemplified during this period. A “saving grace” of this end-of-year cycle were the below average temperatures which kept the snow “fluffy,” enabling it to be cleared relatively easily. This characteristic also conserved the winter-sand stock for the same reason: we finished the season with about 200 cubic yards of winter-sand remaining (about a “storm’s” worth!).
When we were able to finally put the plows and sanders away for the season, we immediately jumped on our annual spring clean-up detail. The late arrival of spring put us under the gun to get the Town ready. Again, cooperation and positive attitudes among the crew enabled us to successfully complete this endeavor.

One very notable project we were intensely involved in this year was revamping the playground at the Middle School. Together, with the Community Center staff, we removed the old pipe structures and swings and prepped the paved area for the new playground apparatus. Many, wicked-hot days were spent toiling under the sun to accomplish this task prior to the commencement of the new school year. This endeavor is a true example of inter-department cooperation.

A few other accomplishments and projects:

- Spearheaded the installation of the emergency generator at the Municipal Building
- Repaired the septic system at the Airport
- Cleared tree growth at the Airport windsock
- Replaced over a dozen planks at the Main Street Pier
- Stabilized banks at the Main Street Pier and Ferry Landing with rip-rap
- Constructed three floats for replacement at the Commercial Pier
- Cut back sapling growth at the Town owned property off Route 1 abutting the McDonald’s plaza
- Worked with a tree company in removing a dying tree and extensive pruning at the Courthouse Commons
- Paved Page Avenue and resurfaced Lowelltown Road
- Fog-sealed Willow Lane and Foye Road

Financially the Department finished strongly, though slightly over by $3,707.70. This overage can be attributed to the hard hit winter accounts (heating oil, overtime, cutting edges, etc.) as well as insurance and some unforeseen repairs to the building. On the other hand, our Vehicle Repair line was significantly less, understandably due to trading a few of the aging vehicles out of the fleet.

To conclude, I would like to thank the Selectboard and the citizens of Wiscasset for the continued support of the Department. I also thank my crew for all of their hard work this past year and I look forward to working with them in the year to come. I am truly proud to be the leader of this team.

Respectfully submitted,
and at your service,
DOUG FOWLER
Road Commissioner/
Public Works Director

The Town of Wiscasset Public Works crew work to set the generator at the Municipal Building.
Wiscasset Regional Transfer Station

Wiscasset Transfer Station staff include, left to right, Les Wentworth, Supervisor Ron Lear, Bob Wolfe, and Kerry Leeman.

Thank you for another great year, the recycling and composting is still growing. The organic waste for Composting has saved about 8 tons of material that we didn’t send to PERC. PERC’s tipping fees are steadily increasing so any tonnage diverted from them really helps save the Town money. Please keep Recycling and Composting. Thank You.

This year the Town has to vote on which Company we want to sign a new 15-year contract with to dispose of our MSW (trash). Our current contract with PERC expires on 3/31/18. PERC’s new contracted tipping fee would be $84.36 a ton. Fiberight and MRC propose a $70 a ton tipping fee with a 15 year contract. Please come out and vote as just this one vote can save $25,000 a year.

Summary of Recycling and Waste Disposal
(tons unless noted)

I would like to thank my crew, Les Wentworth, Bob Wolfe, Steve Schweigard, Ted Snowdon and Kerry Leeman for all their hard work and dedication.

Respectfully submitted,
RON LEAR
To the citizens of Wiscasset:

Well, 2015 is in the books. We have finished the upgrades to the system and pump stations plus we were able to do some additional work due to the bids being lower than expected. We upgraded some of the pump station power issues which should help to lower our electricity bills. The relining of the cross country line along the shore from Federal Street to the plant went very well, this will stop some of the leaks that allowed storm water into the line and increase our flows during storms and treating clean water unnecessarily. The new pumps at the pump stations are also more energy efficient and pump at better capacity than the old worn out pumps. We treated an average of 223,000 gallons a day for the year. That is down 17,000 gpd from the previous year’s average. The less storm water we process the better. After the process of dewatering, we hauled 292 cubic yards of solids to compost.

There has been a large amount of time spent getting the training and OSHA requirements into compliance. A town wide voluntary inspection from Safety Works has helped greatly with these issues.

As always I need to thank Dave, Tony, the highway department and the office staff for all their help.

We are happy to give tours of the plant and explain the process to anyone interested contact us at 882-8222.

Thank You,
WILLIAM RINES
Boards and Committees
Ad Hoc Cemetery Committee

The Ad Hoc Cemetery Committee is a temporary committee created by the Board of Selectmen on January 22, 2013 to work on selected tasks related to the town’s cemeteries. Originally five members, the 2015 membership was down to four.

The committee met three times in 2015. The problem of incomplete records of paupers’ burials was discussed but no action was recommended. Five major tasks have been completed by the committee since its inception. The remaining tasks that had been originally identified at the committee’s creation in 2013, and which remain uncompleted, were reviewed. The committee decided that these remaining tasks were not appropriate tasks for the committee as presently constituted. The committee adjourned April 6, 2015 at the call of the chair, and did not reconvene in 2015.

Respectfully submitted,
DONALD JONES, Chairman
Appearance of the Town Committee

To the Citizens of Wiscasset:

“I love spring anywhere, but if I could choose, I would always greet it in a garden.” Ruth Stout

During the spring of 2015, our committee was busy raking, weeding, pruning, and preparing areas for the planting of annuals. These included the public Sunken Garden property, two in-town triangular islands, and the ‘Welcome to Wiscasset’ sign planter. The islands and planter were planted with wave petunias in shades of pink, lavender, and white, grown at Hawkes Farm and Greenhouse in West Bath, Maine. It is a pleasure to work with the Hawkes family and we appreciate their generosity and support. We thank the Garden Club of Wiscasset for their donation toward the purchase of the plants, and for help in maintaining them.

In June, annuals of many varieties were planted in the Sunken Garden, to border the many existing perennials. These and the upper level common of the property were maintained throughout the growing season. We thank the volunteers who help us with this effort. We welcome and encourage visitors to come and enjoy the ever-changing flowers in bloom on this property, generously gifted to the Town of Wiscasset by the Sortwell family in the year 1958. The Sunken Garden celebrated its 100th year anniversary one year ago!

During the summer and fall, we continued to care for the mentioned areas, which included watering when necessary. Special thanks to Patricia Stauble, owner of Patricia Stauble Antiques, and Dennis Raleigh, owner of Dennis Raleigh Antiques & Folk Art, for allowing us to use their watering hoses to water the Main Street petunia islands. The Wiscasset ‘welcome sign’ is being refurbished this spring and will be back into place as soon as it is completed.

Our annual Wiscasset ‘Tree Lighting’ was held on Saturday, December 5, 2015, on the Town Common. The evening was quite mild and the event was well attended. Our announcer was Dr. Jeffrey Grosser. A sing-a-long of familiar songs and carols was held under the direction of Wiscasset Schools choral director, Carole Drury. The 5th thru 12th grade chorus led us all in the singing of the songs. Frosty, Rudolph, and Santa Claus were our special guests and Santa greeted everyone upon arriving via the shiny-red fire truck, then strolled up the brick walk-way, luminated with the festive luminaires. Then, Santa led the countdown to light the Norway Spruce near the top of the Town Common. Following this, everyone was invited inside Fellowship Hall for refreshments and piano entertainment provided by Dr. Jeffrey Grosser. We thank the First Congregational Church for the use of the hall, as well as the many people who contribute to this annual event. It is sponsored by the Town Appearance Committee, the Wiscasset Parks and Recreation Dept., and the Highway Department. Special thanks also to the Fire Department, and the Senior Center, which provided yummy gingerbread cookies baked by Patty Bridgham, Della Adams, and Betty Johnson. Thanks also to Ames Supply and Hannaford for their donations. Many thanks to the homeowners and businesses along the lighted route and beyond who decorated their places to compliment the Town’s display exceptionally done by the Highway Dept.
It is a pleasure to work with them on this project and other endeavors, under the fine guidance of Doug Fowler.

With spring approaching, soon we shall be preparing for another year of seasonal work and maintenance. Our thanks to all who help us along the way!

Wishing you all “Happy Spring” and “Happy Gardening”!

Respectfully submitted,
NORMA GORDON, Chairman
VICKIE HERSOM
RICHELLE PONTAU
DON JONES
Budget Committee

As this year’s town report goes to press, the Selectmen and Budget Committee have just started to review the budget for the 2016/2017 fiscal year.

The Budget Committee is charged with reviewing every article to be submitted before an annual or special town meeting which provides for the borrowing, raising, or appropriation of any sum of money. Of the nine seats available on the Budget Committee, four have been filled for the past year and three seats have recently been filled.

Past meetings with the Director of the WCC, Todd Souza, have explored the idea of budgeting a different way for the Wiscasset Community Center. The WBC believes that this might not only save the town money, but will also allow the WCC to better meet the needs of the town and its customers. The WBC appreciates the work that he and the other employees at the WCC have done for this “new” way of budgeting, and believes that it will make the WCC less dependent on future funding from the town.

At the first budget meeting for the upcoming fiscal year, the EMS budget was presented by the newly hired director, Toby Martin. The budget for the EMS department is significantly higher than that of previous years. While it is still early in the budget discussions, this is an area that the town will need to decide where and what kind of an EMS department or service it wants to support. The EMS director has set in motion plans to switch billing companies and to provide residents with an alternative option to pay for ambulance service should the need arise. Both of these plans should offset some of the expected increase in the EMS budget.

The Superintendent and the School Board have been working on the next school year budget and are looking at a possible increase of around eight percent. As in past years, the Chairman of the School Board and the Superintendent will meet with the WBC and go over the school budget prior to the town voting on it, sometime in May.

Wiscasset Budget Committee
Wiscasset Conservation Commission
Year in Review - 2015

The Wiscasset Conservation Commission had an interesting year. We keep learning. Work continued on the Montsweag Dam Preserve and recreational trails.

Over the course of 2015, we enjoyed meeting with several people who share our interest in trails. In March, Bill Milam, an avid mountain biker and trail volunteer in Bath, spoke to us about the trail network there. The city considers trails a community asset, drawing visitors as well as residents to enjoy the outdoors, exercise, and support local businesses.

In April, Carob Arnold, facilities manager at the Chewonki Foundation, talked with us about the trails on Chewonki-owned land and the challenges of trail maintenance and restoration. Chewonki has the go-ahead to create a small parking area on the south side of its Cushman Mountain property and we hope to collaborate to improve a trail there.

Todd Souza, director of Wiscasset’s parks and recreation department, is also a trails enthusiast and he shared some of his ideas for future trail-based activities. There are opportunities for us to work together and we look forward to that.

We held a Trails Day last May and appreciated the good-spirited volunteers who lent a hand to improve a section of trail in the Sortwell Forest. Several of the conservation commissioners are devoted year-round stewards of various Wiscasset trails; I am grateful for their volunteerism as well as their hard work.

Last summer, then-town-planner, Jamel Torres, helped us refocus efforts to draft a management plan for the Montsweag Dam Preserve, a requirement of the conveyance of the property from Central Maine Power to the town in 2013. Step by step, we are making progress toward our goals of putting together a responsible plan; investigating the pros and cons of dam repair or removal so we can make a thoughtful recommendation to the board of selectmen (as requested); and establishing a small parking area, signs, and a trail, to make this town-owned property welcoming.

In the late fall, we met with Jeremy Bell, aquatic restoration manager at The Nature Conservancy, and Garrison Beck, watershed protection specialist at the Midcoast Conservancy, to discuss the benefits of removing dams. Restoring the unimpeded flow of streams improves habitat for many species of fish that run to the sea, where they serve as food for the groundfish that in turn provide a livelihood to fishermen in the Gulf of Maine.

Meanwhile, we reviewed estimates of the cost of repairing the dam on Montsweag Brook and awaited a report from engineering firm Wright-Pierce about the impact that taking down the dam could have on the water supply for firefighting in that part of town. There is still much to understand.

Many local initiatives relating to the good use of natural resources inspired us last year, including solar arrays going up on the Morris Farm barn and the Chewonki farm providing produce to the St. Philip’s Help Yourself Shelf. On the water, in the village, in forests, and on fields, there’s a lot happening! Your conservation commission welcomes your participation and input.

LARRY BARNES  STEPHEN GRAFFAM
NEAL LARRABEE  ANNE LESLIE (Chair)
DANIEL SORTWELL

Wiscasset Annual Report | Boards and Committees
Shellfish Committee

The purpose of the shellfish conservation committee is to administer the shellfish conservation program for the Town of Wiscasset. The shellfish conservation program will insure the protection of shellfish resources within its limits. The shellfish conservation program will insure the most favorable conditions for the growth and reproduction of the soft shell clams within its limits.

Commercial licenses sold this year were 12 resident and 2 non-resident. Recreational licenses sold this year were 23 resident and 3 non-resident. The sale of all licenses resulted in $2,745 dollars to the town.

There were 30 resident recreational licenses allocated and 3 non-resident licenses allocated.

Meetings are held on the first Wednesday of each month, unless this coincides with low tide. In that case the meeting is held on the second Wednesday. These meetings are open to the public and are held at the Town Hall in the room above the police station at 1800.

The upweller was placed in Chewonki creek this year. Seed clams were purchased from Beal’s Island Hatchery and placed in the upweller in June. Several seedings were conducted by removing clams from the upweller as the clams achieved sufficient size.

All flats in Town were harvested except for Pottle Cove. This means that all flats except for Pottle Cove are open/approved. Polly Clark Cove still has a DMR closure from June 1 to September 1. It remains open for the rest of the year.

As the flats in Wiscasset become more productive, poaching becomes more prevalent. The poachers are becoming more creative and brazen, but the efforts of our warden are up to the task. The shellfish committee and the harvesters appreciate his effectiveness.

Respectfully submitted,
DON JAMES
Chairman
Shellfish Warden Report

The value of the soft-shell clam industry has increased over the past four years by about forty percent. This in turn brings enforcement to new and unexpected levels where your wardens are out and about on sporadic 24/7 patrols. We all carry and use cell phones which have proven to be a great tool with rescues and enforcement in the marine environment.

The European green crab is threatening Maine’s coastal fisheries and ecosystems. Decreases in clam populations and degradation of coastal habitats have been observed up and down the coast. As a result, your shellfish committee and the Kennebec Estuary Land Trust (KELT), along with interested parties throughout the areas, are working on projects that allow us to better understand the green crab life cycle. The crabs are known to eat all sizes of soft shell clams, and have an adverse affect on eelgrass beds by eating eelgrass shoots and burrowing into the banks of intertidal marshes, where they destroy the marsh grasses.

The past winter was very mild by most standards. It will take a significant research effort to show us where Wiscasset ranks with the green crab population on our flats. In this country at the present time there is very little economic value to the green crab once harvested. Some possibilities for commercial use around the world are creating aquaculture feed, lobster bait, pet food supplements, and fertilizer. Crab meat for human consumption in an overseas market may be a possibility in the near future.

Over the past several years the Maine Shellfish Advisory Council and various business ventures have been busy working on aquaculture programs. This is the way of the future. The Shellfish Committee’s upweller is a wonderful example of how we can grow seed or baby clams to a size where they are then seeded into the clam flats where they may grow to maturity. Another effort is where your committee has implemented a crushed clam shell program spreading broken clam shells on the flats in order to reduce acidification in the flats which then allow baby clam shells to remain healthy and grow to maturity. These projects require many hours of work and the committee is always looking for assistance with these projects. If you are interested, please contact your Town office, Shellfish Committee or Warden.

Prior to harvesting any shellfish in Wiscasset, you must first obtain a shellfish license from the town office. At that time, ask if there are any conservation closures in effect and look at the latest pollution and red tide closure “Administrative Letters” which you can find on the bulletin board in the hall. This way you can be absolutely sure the flats you are going to dig on are safe and open. And prior to digging in the future, contact the town office by calling 882-8200 or the shellfish warden at 371-2732. Openings and closings change at a moment’s notice so be sure to check. The warden makes every effort to post closure signs at major points of access to some of the flats. These locations are at the Maine Yankee boat launch ramp at the end of Old Ferry Road and the launch ramp at the Town Dock, however, never trust the absence of a sign, for they can, and in many cases are, be vandalized, damaged, or just plain vanish! The only sign you can completely trust is the one located in the town office. For the most up-to-date status of any flat, visit Maine DMR and go to DMR Home...
and News for the most up to date status of the flats. This way you can be absolutely sure that the flats you plan to dig on are open.

Please remember that if you use someone else’s property to get to the clam flats, you must first obtain permission from the owner.

Red Tide Hotline number is 1-800-232-4733. If you have a problem understanding this recording, please look at a chart or map to find the points of reference being spelled out. If you are still in doubt, please call me at home so I can provide assistance.

JON L. HENTZ
Shellfish Conservation Warden
Wiscasset Waterfront Committee

The Wiscasset Waterfront Committee has spent a lot of time this year reviewing options for a way to connect the Main Street pier to the recreational pier as the first step in rejuvenating our waterfront. Wright-Pierce has prepared three different concepts for us. Two were boardwalks and one was a paved walkway. The boardwalks were lovely but both really blocked the view of the waterfront from the shore. We all agreed that the paved walkway was the best option for Wiscasset at this time. It would be the least invasive and least expensive to build and maintain. Therefore, we have encouraged this option be considered.

We would like to thank Mr. Cronk’s Technology Education class and especially Chayse Reed for four beautiful planters that he built for us this year. These are well built and easy to maintain and we hope to find sponsors who would like to plant and care for each one for the summer season. We would place a plaque with sponsor’s name on the planter. If anyone is interested, please contact the Waterfront Committee through our town planner.

The committee was shown a plan for a possible municipal marina. This would be a money generator for the town. We were excited about the possibility, but recognize that parking would be a major issue.

We were saddened to learn that Dan Bradford was leaving the position as Harbormaster. He has been a constant valuable resource for us. We wish to thank him and wish him well.

We are looking forward to working with our new Harbormaster Preston Dunning. Welcome to the Wiscasset waterfront.

We are also saddened by the resignation of our committee member, Rick Scanlan. We would like to thank him for his years of service on this committee. We will miss him.

We would like to welcome Richard Forrest as a new committee member. Welcome, Dick. Here’s to many years of working together.

The waterfront committee has a vision of returning our harbor to its once busy status. This harbor was once the biggest shipping port east of Boston. We would like to see it become a destination for townspeople and tourists alike, similar to Bath and Damariscotta. We see tour boats and pleasure boats bustling in and out, supporting services spring up and bringing jobs to the area. We want to beautify and protect our gem in the rough.
Community Services
Lincoln County Television

Lincoln County Television (LCTV), established in 1991, is a non-profit organization that teaches video production, provides production equipment, and manages and distributes videos made and/or requested by individuals and organizations from supporting towns in Lincoln County, which currently include Alna, Bristol, Damariscotta, Edgecomb, Newcastle, Nobleboro and Waldoboro. LCTV programming can be seen on Time Warner Cable Channel 7, Tidewater IPTV Channel 7, and on the internet at www.lctv.org.

New Producers and Shows in 2015 (not inclusive):

Steve Raymond, the Director of Home Care & Community Outreach for the Lincoln Home in Newcastle,

Spotlight for Seniors. Covering issues from Right to Die legislation to Elder Law to Yoga, Steve and his crew, including Dan Bailey as Technical Director, produced 11 shows in the LCTV studio.

James Blier of Waldoboro: Heaven’s Blend Concert, An Overview of the John Birch Society, Vote No on Question 1 – Welfare for Politicians, and Support Your Local Police and Keep Them Local. Jim also volunteers to tape Waldoboro government meetings and has helped crew Spotlight on Seniors.

Tam Green of Wiscasset: Young Composers Inspired by Nature (DRA & Salt Bay Chamberfest). Tam also manned a camera for several Annual Town Meetings, the Pumpkinfest Parade and the Pumpkinfest Regatta.

Students from Lincoln Academy’s Digital Media Production class: several creative student film shorts, highlights of the Senior Trip to Costa Rica, the Baccalaureate, music from the Lincolnaires, a Tour of the LA Campus, and the Lincoln Academy Graduation.

Ongoing Local Programming:

Wuzzup News (Jack Peters of Damariscotta); Lincoln Academy Basketball; Mexico!, Bristol Consolidated School’s Annual Diversity Show; Great Salt Bay’s Winter Solstice Concert; Lincoln County Historical Society Lectures (Jack Swanton of Westport Island); Saint Patrick’s Catholic Church Mass; Faith Baptist Church (Newcastle); Edgecomb Community Church, UCC; Healthy Kids Parenting Series; government meetings from Bristol, Damariscotta, Newcastle and Waldoboro; Twin Villages Memorial Day Parade (Art Mayer’s of Newcastle); Pumpkinfest Pumpkins (Art Mayers); Pumpkinfest Parade (LCTV); Pumpkinfest Regatta Live! (LCTV). LCTV also provides a TV Bulletin Board for local non-profits to advertise their services and events.

New Developments:

LCTV has been steadily adding to our online archive of locally produced shows by converting and uploading videos produced prior to late 2010, including Lincoln Academy Basketball tournament and championship games; Art Mayer’s Lincoln County Oral History shows; and Wuzzup Classics.
LCTV was fortunate to have two summer interns, *Sammy Zaidi* and *Kyle Livingston*. Sammy helped develop our new website (coming online in 2016) and Kyle helped repair and update our computer hardware.

After retiring for the second and last (we hope!) time, *Dave Svens* moved back to Bristol (Chamberlain). Dave has an extensive background in television production and gives generously of his time and talent to LCTV, local producers and the Town of Bristol. Dave produced a video of the *Seacoast Community Orchestra* concert held at the Lincoln Theater with the help of camera crew *Tam Green* and *Athena Taylor*.

LCTV purchased three High Definition cameras. At the current time, Time Warner Cable TV and Tidewater IPTV only send out our video in Standard Definition, but LCTV does upload the High Definition version to LCTV’s Video on Demand webpage: www.lctv.org/vod.html.

LCTV would like to take this opportunity to thank the towns and business sponsors (*First Federal Savings*, *Hagar Enterprises*, and *Mid-Coast Energy Systems*) for their continued financial support.

“Video by the people, for the people” - please consider becoming a LCTV volunteer, producer or sponsor in 2016!
Wiscasset Public Library

Director’s Annual Report

Librarians: Pamela Dunning, Director / Technical Coordinator
Joan Spurgat, Children’s Librarian
David Cherry, Assistant Librarian
Karen Delano, Youth Services Librarian
Janet Morgan, Assistant Librarian

Wiscasset Public Library’s mission is to build literacy and provide up-to-date materials and quality services utilizing a wide range of media, sources and technology to meet the needs of the citizens of Wiscasset and its neighboring communities. The Library strives to fill the community’s educational needs, to assist in developing the public’s ability to find and use information and to stay attuned to the interests of the community in order to improve and expand its services and programs. The Library provides a home for genealogical and archival items to preserve local history for posterity. The Library supports each individual’s freedom to read, learn and discover in a welcoming and stimulating environment. The Library trustees and staff are committed to fostering the enjoyment of reading, lifelong learning, intellectual freedom and a sense of community.

The Library was notified that it would be the beneficiary of a bequest from the estate of Ben Kirkland. The bequest is to aid in supporting the continuation of the art room. Some of the bequest has been received and been added to the endowment. The use of this money to fully fund the Hortense and Henry Ferne Art Library has allowed the Library to reduce its request for funding by the supporting towns.

The Library is fortunate to have 11 volunteers who donate their time to help keep operations running smoothly. Two volunteers assist with circulation and daily operations in order to free librarians for other duties and to fill in the schedule when needed. Other volunteers assist in processing new books, shelving items, reading shelves and maintenance.

In 2015, Wiscasset Public Library’s Children’s Room offered 55 children’s programs that were attended by 985 local residents. Each week from September through June, an hour of Story Time is offered with a story and related activity providing social opportunity for youngsters, parents and grandparents. The 2015 Summer Reading Program about Heroes, was a great success with 96 participants and 60 children completing the program. The summer events of the reading program help keep children physically and mentally active while school is out.

The Library continues to offer passes to the Farnsworth Museum and the Portland Museum of Art. Those memberships allow the Library to issue some free passes to each museum.

Patrons can borrow library books without even leaving their own home. If you have joined the digital generation and are using an e-Reader, Maine InfoNet Download Library collection is a terrific resource for you. Over 9,300 e-books and 5,200 audio downloads are available. The online collection grows larger every year.
Wiscasset Public Library has many sources of information about upcoming activities. Visit our website http://www.wiscasset.lib.me.us/, read about us on Main Street https://www.wiscassetnewspaper.com/affiliate/wiscasset-public-library/24373, like us on Facebook and follow us on Twitter.

Some vital statistics for last year:

There were a total of 8 adult programs attended by 158 patrons in all.
There were a total of 55 children’s programs attended by 985 patrons in all.
There are 33,391 physical items, 58 magazine subscriptions, 9,392 eBooks and 5,265 downloadable audio books in the collection with a total circulation of 30,726.
Total number of registered patrons equals 5,578.
Wiscasset Public Library staff is pleased to see the collection and the other resources here being so well utilized by the public.

Respectfully submitted,
PAMELA DUNNING,
Director
Wiscasset Senior Center

The Senior Center of Wiscasset is dedicated to enriching the lives of all people residing in Wiscasset, especially those 50 years of age or older. Membership is open to all people in Wiscasset and the greater mid-coast region. We strive to enhance the quality of life through socialization and actions. This has been our long-term goal.

Membership in the Senior Center has remained stable at 74 paid members for the past several years. In an effort to bolster those numbers, we have increased our popular Prime Rib dinner to once a quarter. Although this has not added to the total membership, it has kept our dinner numbers stable.

In September, we celebrated our 25th anniversary. Wiscasset town and Lincoln County officials attended the celebration. Selectman Chairman Ben Rines Jr. presented a plaque honoring the event on behalf of the Board and the Town.

On Veterans Day, 18 Veterans were honored at our Prime Rib dinner for their service to our country. Bill Cossette and Steve Jarret, representing the American Legion, presented the veterans with certificates of appreciation for their service signed by Governor Paul LePage and Acting Adjutant General Gerald Bolduc.

The fourth dinner of each month is set aside for collection of food and cash donations for assistance to the St. Phillip’s Food Pantry.

A sad note was the passing of long-time member and Vice Chairman, Earl Dighton during the year.

The trustees of the Senior Center are working to keep the center relevant. Each month we see news of the closing of another senior center, not only in Maine, but in communities around the country. Times are changing and we are trying to keep up with those changes.

Regional, State and Federal
March 29, 2016

After many anticipatory transitional activities as a part of my Entry Plan, on July 1, 2016, it was with great pleasure that I officially assumed the role of Superintendent of Schools for the Wiscasset School Department. My Entry Plan carried over to the start of the school year so that I could develop an understanding of the culture of the schools and community to ensure a smooth transition and build on position momentum. Throughout this work, the community of Wiscasset was undoubtedly welcoming and had so much to share!

The summer months at the school department were extremely active in preparation for the new school year. With the support of Bisson Moving and Storage, the custodial and maintenance staff focused on moving out of the Wiscasset Primary School and moving into the “new” Wiscasset Elementary School and Wiscasset Middle High School. The “new” Wiscasset Elementary School transitioned to support students in grades pre-K to six and the “new” Wiscasset Middle High School transitioned to support students in grades seven through twelve. With design efforts of members of the Playground Committee and the collaborative efforts with the Town, Wiscasset Elementary School received new playground equipment and surfacing to meet the needs of the new population of students. The location for the new Central Office was identified and lightly remodeled to house the school department’s new Finance Manager, Curriculum Coordinator, Administrative Assistant to the Superintendent and Superintendent. Much gratitude and appreciation must be given to the staff who participated in the consolidation of the school department. The move that took place over the summer was no small feat due to the amount of furniture and equipment that needed to be moved. The move occurred over multiple days and across the span of multiple weeks. As a result, this took a high-level of flexibility and preparedness that was exhibited during this large-scale project. The members of the team who participated in this project were extremely professional and worked collaboratively to get the job done in an efficient and timely manner. Even though the move was cumbersome, both schools and Central Office were ready for the first day to welcome students, families and staff!

For the past five years, the Wiscasset School Department has participated in the Teacher Incentive Fund grant, or TIF, through the U.S. and Maine Department of Education. Though funding for the grant dissolved at the start of the 2015-16 school, the work associated with teacher effectiveness and growth marches on. The foundation for this work is grounded in fostering and implementing research-based teaching practices that permits educators to continuously collect, interpret and use evidence of student learning to make appropriate decisions that guide future instruction. A district-level steering committee meets on a regular basis to monitor
the continued efforts and to adjust approaches accordingly.

In the area of professional development, the Wiscasset School Department has continued their work with Dan Joseph from Reinventing Schools, a division of Marzano Research. This continued work is an extension of professional development from the 2014-15 school year and will continue well into the 2016-17 school year. This professional development is in the area of curriculum development with a focus on identifying essential standards and unpacking them for a deeper level of understanding. This continued work will also support the school department’s anticipated transition to a proficiency-based reporting system in 2021.

In preparation for the development of the school department’s 2016-17 budget, an electronic and paper survey was developed to gather feedback from the community. These results were analyzed and compiled and used to guide the budget development. In addition to the survey data, the administrative team utilized a budget pyramid and filters to guide the construction of the budget. The preliminary budget has been presented at multiple Wiscasset School Committee Workshop meetings and much appreciation is given for the feedback that has been provided by the members of the Committee and stakeholder groups.

So many exciting things have happened and are continuing to unfold in the Wiscasset School Department; it is difficult to capture them all in one brief report. I look forward to continued opportunities to collaborate with the Town and members of the community to support our learners.

Respectfully submitted,
HEATHER WILMOT, Ed.D.
Superintendent of Schools
Wiscasset Water District
2015 Annual Report

January 1 – December 31, 2015

The Wiscasset Water District installed 5 new residential and 0 new commercial service connections in 2015. The District also re-established 3 residential services that had been shut off for over 10 years. Total water consumption was 47,744,840 gallons compared to 44,618,160 gallons in 2014. The 2015 results showed a 6.55% increase in water consumption. This is the second straight year the District has seen an increase in consumption. Water purchased from Bath Water District totaled $242,576.64 compared to $214,144.86 in 2014, reflecting an $28,431.78 (13.28%) increase. This increase is due to the 7% increase in rates that the Wiscasset Water District pays Bath Water District for water as outlined in the 2006 interconnection agreement and increased water consumption.

The District is continuing its annual meter maintenance program by replacing meters routinely by swapping out and testing meters in accordance to the Maine Public Utility Commission rules. New changes by the EPA require lead free meters be used for new or replacement of broken meters; the District will be using Sensus Ipearl plastic flow meters. These meters have proven to be very durable and extremely accurate and will interface very well with the current meter reading system. The District will be scheduling a regular number of meter replacements annually to ensure meter accuracy. The District has realized tremendous benefits from this project: increased meter accuracy, the ability for leak detection, labor and billing efficiency improvements. This District has also been busy repairing broken curb stops, curb boxes, valve boxes, and has responded to 25 requests for Dig Safe mark outs, 2 mutual aid requests to 1 other water system, and has identified and assisted in 2 customer service leaks. The District faced 2 significant main breaks during the year, one along Federal Street and one on Pleasant Street, resulting in almost 600,000 gallons lost. The break on Federal Street was the second within a 12-month period, the previous break happening in November of 2013.

With the recent breaks along Federal Street, the District adjusted its plans for main replacement to address the Outer Federal Street planned project. In the summer of 2015 the District contracted with Nitram Excavation to replace 2,000 lf of old 6” cast iron water main along outer Federal Street. This completed the second phase of the replacement project for Federal Street. In 2011 the District paired the first half of the Federal Street project with the Main Street project. The project went very well, the contractor did a great job and the support and understanding of the residents within the work zone as well as the travelers were greatly appreciated. This project was funded through grant and loan funds obtained by the District through USDA Rural Development.

The District is continuing its ongoing system evaluation to address water main replacement projects. Continuous research into the best and most economical
financing of such projects is critical to ensure that construction expenses to do this much needed work do not greatly impact the rates to the users of the system. Currently the District is evaluating the possibility of making an application for a loan / grant package with USDA Rural Development that will address the remaining projects currently identified. This is a different approach that typically isn’t seen; we are looking to fund a multi-year construction project that will address 13 identified projects and streets. The District will also look to develop partnerships with the Town of Wiscasset and the Maine Department of Transportation where it’s possible to address all the infrastructure needs within the various work zones.

The Water District sends out annually a Consumer Confidence Report to all its customers in accordance with Federal and State Requirements. The brochure highlighted water conservation and treatment information as well as a history of the Water District. The Water District continues to contract with the Town of Wiscasset Selectmen to do the billing and collection of sewer fees as they have since October 2000. The District also continues to perform the same related services for the Town of Edgecomb for sewer billing services.

The Board and District staff is continuing to further strengthen the working relationship with the Town of Wiscasset, the Wiscasset Sewer Department and local water districts such as Great Salt Bay Sanitary District and the Bath Water District. Through continued regional cooperation and assistance the District is continuing to strive to improve the level of service and address critical infrastructure needs of the communities that we serve. This regional approach has led to the development of the Five Rivers Regional Water Council, of which the district is part. The council is made up of seven local water utilities with the purpose to promote the common business interests of its member utilities. The District is also a member of the Maine Water/Waste Water Agency Response Network (MEWARN) which is a state wide mutual aid network that will ensure assistance such as equipment, materials and manpower from other utilities during large scale emergencies.

The District developed a partnership with the Wiscasset High School during the 2014/2015 school year. The District is providing an opportunity for a high school junior or senior to job shadow with the District. This opportunity provides the student(s) with the chance to experience the work involved in the operation of the utility, from the office management to field operations. Through this program we are also providing students a chance to visit and meet with other utilities, vendors and contractors. We look forward to continuing this program and broadening its scope to reach more students.

Mapping is a continuous effort of the District to ensure accurate record drawings of critical assets of the system. This project involves obtaining GPS data points as well as physical measurement ties to fixed points. This data is collected and entered into our GIS system of our distribution system. This will be an on-going yearly project and is critical to the operation.

Superintendent Chris Cossette was also elected to the Board of Directors of the Maine Rural Water Association in 2014 and served as its President this past year.
This is an exciting opportunity to help direct the statewide work of the association and to further broaden the working relationships of many of the state water utilities.

Respectfully submitted,
Wiscasset Water District Trustees

Annual Report to the Board of Commissioners
and Citizens of Lincoln County

It was a very busy and productive year for Lincoln County. There were many improvements and upgrades to our services, buildings and equipment during 2015.

On the technology side we retained Burgess Computer to evaluate our computer infrastructure, programs and security. On their recommendation we commenced a major long term upgrade to our computer systems including purchasing new servers and instituting a formal replacement program for aging computers. As a result we saw significant improvements to email speed and bandwidth and a much needed strengthening of our computer security. Also, we changed the software provider in our Registry of Deeds to IQS which is Windows based rather than the DOS based system we had been using. The attorneys, realtors and abstractors as well as the general public were extremely pleased with the change.

In the 1824 Courthouse we replaced the old roof as well as the flashing round the old chimneys. We repaired and replaced some catch basins in our parking lots. We did a structural study of the Courthouse attic where a large volume of files and records had been stored. We were advised that we had to significantly reduce the weight being stored and we worked with the Administrative Office of the Courts to remove a large amount of their old records. Also we significantly reduced the amount of our own papers and records. This reduction also reduces the fire load in the building which had been a concern of the state Fire Marshal.

Our Lincoln County Planning Office needed new space since Coastal Enterprises Inc., their landlord for many years, moved from Wiscasset to a new building in Brunswick. We considered renovating space in the Old Jail which used to be located in the Sheriff’s Office Building. After an evaluation the structural engineer obtained quotes for renovation that were almost $400,000. We reviewed office availability in Wiscasset and could not find suitable rental space. After careful consideration the county purchased a building at 297 Bath Road for $140,000. Some upgrade work was done to create a professional office space; we also got a significant meeting room area and adequate parking.

The Sheriff’s Department benefitted from the computer improvements and now has a more robust and secure IT platform. Advances in technology require the purchase of more sophisticated equipment to meet the demands of Public Safety. On a discouraging note, Two Bridges Regional Jail, jointly owned by Lincoln and Sagadahoc counties, continues to struggle with limited funding caused by changes in legislation.

Our Recycling operation on Huntoon Hill Road is doing well with significant improvements to plant and equipment. Most vehicle maintenance and equipment repair is now being done in house. The former eWaste building now houses the repair facility so none of the work has to be done outdoors. We are very pleased that the composting program is growing rapidly with the addition of food scraps to the lawn and garden waste that we already process.

Early in 2015 we retained Lori Bouchard, a Human Resources firm, to conduct a job classification and wage study, so now we have an objective compensation structure
that allows the county to properly compensate employees of all levels. This is of great assistance as we address budgets as well as placing new and old employees at the appropriate level. Ms. Bouchard also upgraded our County Employee Handbook to incorporate best practices as well as changes in employment law.

On the financial side, we are in the process of completing the 2015 audit. R.H. Smith, CPA has audited Lincoln County for the third year and we have followed their recommendations to improve our accounting procedures as well as restructuring our balance sheet. In 2015 our county expenditures are approximately 2% under the amount budgeted.

Again we express our appreciation to our hard working and dedicated employees, our elected officials and all those who serve in various capacities on our county boards. Particular thanks are due to the Budget Committee who assists the Commissioners in preparing our annual budget. We truly value their contributions and guidance.

Finally, I wish to thank the Commissioners and citizens of Lincoln County for allowing me to serve you since December 2008 as your County Administrator. It has been a genuine privilege. And you can be assured that the Commissioners have made an excellent choice in selecting Carrie Kipfer of Alna as my replacement.

Respectfully submitted,

JOHN W. O’CONNELL,
Administrator
Dear Residents of Wiscasset,

I hope 2016 finds you and your family doing well. It is an honor to represent you and this community as your State Senator. These are challenging times for so many people in Maine which is why I am pleased to have some good news and information to help you through some of the challenges.

This past year, the Legislature made significant progress in providing direct tax relief to Maine homeowners. We increased the Homestead Property Tax Credit for all Mainers from $10,000 to $15,000 starting in April of 2016; and the exemption will increase again to $20,000 in 2017. We also prevented Municipal Revenue Sharing cuts while increasing funding of K-12 schools by $80 million. As key influences on municipal revenues, they are critical to avoiding property tax spikes.

Additionally, we implemented meaningful, fair changes to the state’s income tax code, which will result in a $135 million annual tax cut for 579,000 Maine families. This Legislature also eliminated the income tax on pensions for all military families.

I am proud of these accomplishments. I hope you are as well. Moving forward, I will continue to focus on making state government effective in meeting people’s needs, with good oversight and accountability, providing property tax relief and tax reform that works for every day Mainers, not just the wealthy. And ensuring that your tax dollars are working to support growth of good paying jobs, fostering economic development, investing in education, lowering home energy costs, protecting our children and our natural resources, and building better infrastructure.

As the Legislature continues its work, please know that I appreciate hearing from you about your concerns, your hopes, and your ideas for how to make our communities and our state better. In addition to the monthly constituent office hours across the district to hear what you want to talk about, and occasional open public meetings, I encourage you to sign up for my legislative email updates to keep you informed about what is happening in the Legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email or call me to sign up.

I am here to listen to your legislative needs and concerns, and to serve as a liaison between you and state government. Feel free to contact me anytime. I appreciate your continued support and look forward to seeing you around the district.

Sincerely,

CHRISTOPHER JOHNSON
State Senator
Governor’s Report

Dear Citizens of Wiscasset:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come – and stay – in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

PAUL R. LEPAGE
Governor
Dear Friends of Wiscasset:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine’s leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I co-sponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine’s community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small businesses across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation’s most treasured
landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine’s natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; co-sponsoring a Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; co-sponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of the U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town - and in a small town, the leaders are accessible and eager to listen. In that spirit, I’ve made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress, I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at 1-800-432-1599 or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

ANGUS S. KING, JR.
United States Senator
Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine’s economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine’s federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine’s deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine’s historic contributions to our nation’s defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A $250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine’s farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans’ homelessness a priority. This year’s housing funding law includes $60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation’s seniors. I advocated for the $2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer’s. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee’s toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report
suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Wiscasset and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Constituent Service Center in Augusta at (207) 622-8414 or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,
SUSAN M. COLLINS
United States Senator
Town Warrants
Results of Town Meeting Warrant
June 9, 2015

To Charles DiPerri, Constable, of the Town of Wiscasset in the County of Lincoln.

GREETINGS: In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Wiscasset, in said County and State, qualified by law, to vote in Town affairs to meet at the Wiscasset Community Center at 242 Gardiner Road, the 9th day of June, 2015 from 8:00 am. to 8:00 p.m. then and there to act upon the following articles:

Article 1. To elect a moderator to preside at said meeting.
SUSAN BLAGDEN WAS ELECTED MODERATOR WITH 3 VOTES TOOK OATH OF OFFICE.

Article 2. To vote by secret ballot for elected positions.

Board of Selectmen: Judy Flanagan-407
William David Cherry-247
Ervin Deck-232

Budget Committee: Glen Haggett-4 (decline)
3 year term Tanya Bailey-4 (decline)
Vote for 3 Robert Blagden-4 (decline)

Budget Committee: Kristin Draper-367
2 year term Tanya Bailey-3 (decline)
Vote for 3 Peter McRae-2 (decline)
James Main -2 (decline)
Glen Haggett-2 (decline)
Vince Thibeault-2
Brandon Perreault-2

Budget Committee: Robert Blagden -6 (decline)
1 year term, Vote for 1 Tanya Bailey
School Board Glen Craig-369
Vote for 2 Eugene Stover-365

Wiscasset Water District Philip Divece-435

Article 3. Do you favor approving the Town of Wiscasset school budget for the upcoming school year that the Town adopted at the latest school budget town meeting?

YES-385 NO-157
Article 4. Shall the Town vote to appropriate $47,400 for the **Police Department School Resource Officer (SRO)**?  
**Board of Selectmen recommendation:** No recommendation  
**Budget Committee recommendation:** Budget Committee did not review this request  

**YES-274 NO-272**

Article 5. Shall the Town vote to appropriate the following **Estimated Revenues** to reduce the tax commitment?  
- Recreation $452,000  
- Excise $517,000  
- State Revenues $281,100  
- Miscellaneous $277,500  
- Emergency Medical Services $232,000  
- Transfer Station $257,000  
- Charges for Services $554,000  
- Senior Center $22,300  
- Airport $260,000  
- Waterfront $21,600  
- Total $2,874,500  

**Board of Selectmen recommendation:** 4-favor; 0-oppose  
**Budget Committee recommendation:** 7-favor; 0-oppose  

**YES-504 NO-45**

Article 6. Shall the Town vote to raise and appropriate $342,810 for the **Police Department**?  
**Board of Selectmen recommendation:** 4-favor; 0-oppose  
**Budget Committee recommendation:** 7-favor; 0-oppose  

**YES-366 NO-185**

Article 7. Shall the Town vote to raise and appropriate $63,346 for **Municipal Planning**?  

*The Municipal Planning budget is offset by $9,000 economic development TIF funds.*  
**Board of Selectmen recommendation:** 4-favor; 0-oppose  
**Budget Committee recommendation:** 5-favor; 2-oppose  

**YES-351 NO-196**

Article 8. Shall the Town vote to raise and appropriate $47,032 for **Code Enforcement**?  
**Board of Selectmen recommendation:** 4-favor; 0-oppose  
**Budget Committee recommendation:** 7-favor; 0-oppose  

**YES-413 NO-137**
Article 9. Shall the Town vote to raise and appropriate $10,630 for Shellfish Conservation?

The Shellfish Conservation Department generates $3,045 in revenue that offsets the above appropriation.

Board of Selectmen recommendation: 4-favor; 0-oppose
Budget Committee recommendation: 6-favor; 1-oppose

YES-424  NO-130

Article 10. Shall the Town vote to raise and appropriate $742,673 for the Parks & Recreation Department?

The Parks and Recreation Department generates $452,000 in revenue that offsets the above appropriation.

Board of Selectmen recommendation: 3-favor; 1-oppose
Budget Committee recommendation: 3-favor; 4-oppose

YES-325  NO-227

Article 11. Shall the Town vote to raise and appropriate $679,997 for the Municipal Highway Department?

Board of Selectmen recommendation: 4-favor; 0-oppose
Budget Committee recommendation: 6-favor; 1-oppose

YES-439  NO-101

Article 12. Shall the Town vote to raise and appropriate $25,777 for the Senior Center?

The Senior Center generates $22,300 in revenue that offsets the above appropriation.

Board of Selectmen recommendation: 4-favor; 0-oppose
Budget Committee recommendation: 6-favor; 1-oppose

YES-438  NO-109

Article 13. Shall the Town vote to raise and appropriate $39,554 for Waterfront & Harbors?

Waterfront and Harbors generates $21,600 in revenue that offsets the above appropriation.

Board of Selectmen recommendation: 4-favor; 0-oppose
Budget Committee recommendation: 7-favor; 0-oppose

YES-464  NO-82

Article 14. Shall the Town vote to raise and appropriate $168,295 for Town Office Administration/Operations?

Board of Selectmen recommendation: 4-favor; 0-oppose
Budget Committee recommendation: 7-favor; 0-oppose

YES-429  NO-110
Article 15. Shall the Town vote to appropriate $30,000 from the Capital Reserve Account for **Wastewater Treatment Pick-up Truck**?  
Board of Selectmen recommendation:  4-favor; 0-oppose  
Budget Committee recommendation:  6-favor; 1-oppose  
**YES-370  NO-171**

Article 16. Shall the Town vote to appropriate $8,000 from the Capital Reserve Account for **Airport Obstruction Clearance**?  
Board of Selectmen recommendation:  3-favor; 1-oppose  
Budget Committee recommendation:  7-favor; 0-oppose  
**YES-336  NO-200**

Article 17. Shall the Town vote to appropriate $25,000 from the Capital Reserve Account for **Repairs to the Emergency Medical Services (EMS) 2003 Ambulance**?  
Board of Selectmen recommendation:  4-favor; 0-oppose  
Budget Committee recommendation:  7-favor; 0-oppose  
**YES-476  NO-74**

Article 18. Shall the Town vote to appropriate $150,000 from the Capital Reserve Account for **Public Works Paving Projects**?  
Board of Selectmen recommendation:  4-favor; 0-oppose  
Budget Committee recommendation:  7-favor; 0-oppose  
**YES-472  NO-69**

Article 19. Shall the Town vote to appropriate $39,000 from the Capital Reserve Account for a **New Police Cruiser**?  
Board of Selectmen recommendation:  3-favor; 2-oppose  
Budget Committee recommendation:  3-favor; 4-oppose  
**YES-167  NO-374**

Article 20. Shall the Town vote to appropriate **$12,764** from the Capital Reserve Account for the **Cardiac Monitors Lease** (year 4 payment of 5 year lease)?  
Board of Selectmen recommendation:  4-favor; 0-oppose  
Budget Committee recommendation:  7-favor; 0-oppose  
**YES-479  NO-62**

Article 21. Shall the Town vote to appropriate $40,463 from the Capital Reserve Account for **Municipal Pier Debt** (year 4 payment of 10)?  
Board of Selectmen recommendation:  4-favor; 0-oppose  
Budget Committee recommendation:  7-favor; 0-oppose  
**YES-454  NO-81**
Article 22. Shall the Town vote to raise and appropriate $1,611 for Municipal Boards and Committees?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-417   NO-122

Article 23. Shall the Town vote to raise and appropriate $60,155 for Municipal Building Maintenance/Operations?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-448   NO-93

Article 24. Shall the Town vote to raise and appropriate $35,000 for Contingency?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-390   NO-140

Article 25. Shall the Town vote to raise and appropriate $106,660 for Contractual Services?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-387   NO-146

Article 26. Shall the Town vote to raise and appropriate $27,380 for Office of Selectmen?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-380   NO-151

Article 27. Shall the Town vote to raise and appropriate $6,490 for Office of Assessment?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-386   NO-145

Article 28. Shall the Town vote to raise and appropriate $200,475 for Office of Finance/Tax Collector?
   - Board of Selectmen recommendation: 4-favor; 0-oppose
   - Budget Committee recommendation: 7-favor; 0-oppose
   YES-355   NO-175
Article 29. Shall the Town vote to raise and appropriate $64,169 for Town Clerk/Excise Tax Collector/Registrar?
   Board of Selectmen recommendation: 4-favor; 0-oppose
   Budget Committee recommendation: 7-favor; 0-oppose
   **YES-412  NO-121**

Article 30. Shall the Town vote to raise and appropriate $15,900 for Office of Elections?
   Board of Selectmen recommendation: 4-favor; 0-oppose
   Budget Committee recommendation: 7-favor; 0-oppose
   **YES-410  NO-127**

Article 31. Shall the Town vote to raise and appropriate $20,510 for General Assistance?
   *The General Assistance program is offset by $7,425 in State Reimbursements.*
   Board of Selectmen recommendation: 4-favor; 0-oppose
   Budget Committee recommendation: 7-favor; 0-oppose
   **YES-431  NO-109**

Article 32. Shall the Town vote to raise and appropriate $17,000 for Tax Anticipation Note (Interest)?
   Board of Selectmen recommendation: 4-favor; 0-oppose
   Budget Committee recommendation: 7-favor; 0-oppose
   **YES-420  NO-109**

Article 33. Shall the Town vote to raise and appropriate $94,625 for Municipal Insurance?
   Board of Selectmen recommendation: 4-favor; 0-oppose
   Budget Committee recommendation: 7-favor; 0-oppose
   **YES-443  NO-91**

Article 34. Shall the Town vote to raise and appropriate $6,313 for Unemployment?
   Board of Selectmen recommendation: 4-favor; 0-oppose

*YES-444  NO-92*

Article 44. Shall the Town vote to raise and appropriate $68,950 for the **Wiscasset Public Library**?

- Board of Selectmen recommendation: 3-favor; 1-oppose
- Budget Committee recommendation: 0-favor; 7-oppose

*YES-342  NO-197*

Article 45. Shall the Town vote to appropriate $26,085 for Fiscal Year 2015 for the payment of retiree health insurance premiums, the funds to come from the Health Insurance reserve account?

- Board of Selectmen recommendation: 4-favor; 0-oppose
- Budget Committee recommendation: 7-favor; 0-oppose

*YES-417  NO-111*

Article 46. To see if the voters will accept the transfer of the Wiscasset Primary School to the Town from the Wiscasset School Board pursuant to 20-A MRSA § 4103 and to authorize the Board of Selectmen on behalf of the Town to sell and dispose of said Real Estate on such terms as they may deem advisable and to execute quit claim deeds for such property?

*YES-483  NO-62*

Article 47. To see if the Town will fix Friday, October 23, 2015 and Friday, April 22, 2016 as the dates when semi-annual tax payments are due and payable and instruct the Tax Collector to charge interest at the rate of *7% per annum* on all taxes unpaid after said dates?

*YES-485  NO-50*
Article 48. Shall the Town vote to authorize the Tax Collector to enter into a standard agreement with taxpayers establishing a “tax club” payment plan for commercial and/or residential real estate property taxes, whereby:

1. The taxpayer agrees to pay specified monthly payments to the Town based on his/her estimated and actual tax obligation for current year real estate property taxes:
2. The Town agrees not to charge interest on timely payments made pursuant to the tax club agreement;
3. The Town authorizes the Tax Collector to accept tax club payments for current year taxes which may be due prior to the commitment of those taxes;
4. The agreement is automatically terminated if a scheduled payment is late, and the taxpayer then becomes subject to the same due date(s) and interest rate(s) and rate as other taxpayers who are not participating in a tax club program; and
5. Taxpayers wishing to participate in a tax club for a particular property tax year shall enter an agreement with the town by a publicly-advertised deadline determined by the Tax Collector.

YES-463  NO-71

Article 49. Shall the Town vote to approve the following:

A. To pay interest at 3.00% per annum on any amount overpaid on property taxes as noted in M.R.S.A. Title 36, Section 506–A, and to authorize such interest paid or abatements granted to be appropriated from overlay funds or, if necessary, from undesignated fund balance;
B. To authorize the payment of tax abatements and applicable interest approved by the Selectmen/Board of Assessors from the property tax overlay;
C. To authorize the Tax Collector to accept pre-payment of property taxes, with no interest to be paid on the same;
D. To authorize the Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute quit claim deeds for such property. Property that, in the opinion of the Selectmen, best serves the interest of the Town by remaining Town–owned property need not be sold;
E. To authorize the Selectmen to expend additional funds received from federal, state and other sources during the year for Town purposes provided such additional funds do not require the expenditure of local funds not previously appropriated;
F. To authorize the Selectmen and Treasurer, on behalf of the Town, to accept gifts, real estate and other funds including trust funds that may be given or left to the Town and to apply these funds to the accounts the Selectmen deem appropriate;
G. To authorize the Selectmen to sell or dispose of various items, except real estate, that serve little or no purpose in the operation of the Town, and to apply the proceeds from these sales to the accounts the Selectmen deem appropriate;

H. To authorize the Selectmen to disburse money received from registration fees of snowmobiles for the purpose of maintaining snowmobile trails in Wiscasset;

I. To authorize the Selectmen to apply for and accept State and Federal grants, including Community Development Block Grant (CDBG) applications, and grants from non-profit organizations, donations or revenues, on the Town’s behalf for municipal purposes, including, when necessary, the authority to sign grant contracts, documents or other paperwork and to accept the conditions that accompany grant funds and to appropriate and expend grant funds and/or funds for authorized purposes as the Board of Selectmen deems to be in the best interest of the Town during the fiscal year 2015.

J. Shall the Town authorize the transfer of all unexpended balances to fund balance and to authorize the Selectmen to carry any unexpended balance as they deem advisable and to authorize the Selectmen to set at a later date the amount of undesignated fund balance, if any, to be used to reduce property tax assessment;

K. To see if the Town will authorize the Board of Selectmen to transfer and expend the appropriate funds from taxes and personal property revenue in accordance with the Tax Increment Financing (TIF) agreement for repayment of taxes and for economic development purposes from the Tax Increment Finance (TIF) District Account, consistent with 30-A M.R.S.A. §5251-5261.

YES-438  NO-80

F. To authorize the Selectmen and Treasurer, on behalf of the Town, to accept gifts, real estate and other funds including trust funds that may be given or left to the Town and to apply these funds to the accounts the Selectmen deem appropriate;

G. To authorize the Selectmen to sell or dispose of various items, except real estate, that serve little or no purpose in the operation of the Town, and to apply the proceeds from these sales to the accounts the Selectmen deem appropriate;

H. To authorize the Selectmen to disburse money received from registration fees of snowmobiles for the purpose of maintaining snowmobile trails in Wiscasset;

I. To authorize the Selectmen to apply for and accept State and Federal grants, including Community Development Block Grant (CDBG) applications, and grants from non-profit organizations, donations or revenues, on the Town’s behalf for municipal purposes, including, when necessary, the authority to sign grant contracts, documents or other paperwork and to accept the conditions that accompany grant funds and to appropriate and expend grant funds and/or funds for authorized purposes as the Board of Selectmen deems to be in the best interest of the Town during the fiscal year 2016.

J. To see if the Town will authorize the Board of Selectmen to transfer and expend the appropriate funds from taxes and personal property revenue in accordance with the Tax Increment Financing (TIF) agreement for repayment of taxes and for economic development purposes from the Tax Increment Finance (TIF) District Account, consistent with 30-A M.R.S.A. §5251-5261.

Article 62. Shall the Town authorize the transfer of all unexpended balances to fund balance and to authorize the overdrafts that may occur in the Town operations in the budget to be taken from fund balance, and to authorize the Selectmen to carry any unexpended balance as they deem advisable and to authorize the Selectmen to set at a later date the amount of undesignated fund balance, if any, to be used to reduce property tax assessment.

Board of Selectmen recommendation: 3-Favor; 2-Oppose

Article 63. Shall the Town vote to accept monies received from the sale of cemetery lots to be used for perpetual care and maintenance of all cemeteries within the Town of Wiscasset?

Article 64. Shall the Town vote to authorize the municipal officers to make final determinations regarding the closing or opening of roads to winter maintenance pursuant to 23 M.R.S.A. Section 2953?
Article 65. Shall the Town vote to authorize the Town of Wiscasset to:

(i) continue as member of the Municipal Review Committee, Inc. (“MRC”), organized as a Maine nonprofit corporation and acting as a regional association pursuant to Title 13-B and Title 38 of the Maine Revised Statutes, as amended (and specifically Section 1304-B (5-A) of Title 38) for the purposes of managing and facilitation solid waste disposal;

(ii) to adopt, ratify and confirm the Restated Articles of Incorporation and the Restated Bylaws of the MRC in substantially the form on file with the Town Clerk at the Wiscasset Town Office;

(iii) to authorize the Town of Wiscasset to execute and deliver a Municipal Joinder Agreement with the MRC in substantially the form on file with the Town Clerk at the Wiscasset Town Office (the “Municipal Joinder Agreement”) pursuant to which the Town of Wiscasset will become a Joining Member of the MRC (as defined therein) and deliver its municipal solid waste for disposal to a waste management facility being developed by Fiberight, LLC and/or its affiliates (collectively, “Fiberight”) in Hampden, Maine, or other waste disposal facility;

(iv) to authorize the MRC to take certain actions on behalf of the Town of Wiscasset as set forth in the Municipal Joinder Agreement; and

(v) to authorize a majority of the Wiscasset Board of Selectmen or their duly authorized designee or designees as representatives of the Town of Wiscasset to execute and deliver on behalf of the Town of Wiscasset in conjunction therewith such other documents and to take such further actions as they may deem necessary or appropriate in order to effect the transactions contemplated by the Municipal Joinder Agreement.

Article 66. Shall the Town vote to raise and appropriate $81,150, which is to be held in escrow for a seventh year buyout, and authorize the Selectmen to negotiate and execute any and all agreements, and to take actions and execute documents reasonably related thereto, necessary to facilitate solar energy installations that will serve the Town of Wiscasset municipal facilities?

Board of Selectmen recommendation: 2-Favor; 3-Oppose
Budget Committee recommendation: 4-Favor; 2-Oppose

Article 67. Shall an ordinance entitled “Blasting Ordinance” be enacted?

A copy of the proposed “Blasting Ordinance” is on file with the Town Clerk.
